*This company subsequently became Company D, 11th Regiment South Carolina Infantry.
The 11th (also known as the 9th) Regiment South Carolina Infantry was organized in 1861 of companies which had been raised at different times under the call of the State Convention for 10,000 men for coast defense. Most of the companies were accepted into the service of the Confederate States for twelve months, but some appear to have been disbanded and new ones formed. The regiment was re-organized for the war May 3, 1862, with ten companies, A to K.
